

**sign language recognition using leap motion controller** - leap motion has skeletal tracking that recognizes the framework of fingers to obtain a highly accurate various data such as the position of finger bones and the degree of the thumb and index finger. in addition, the use of leap motion allows fingerspelling recognition without any physical contact. the rest of the paper is constructed as follows. **a review paper on sign language recognition system for ...** - leap motion controller (figure 1) is a sensor which detects ... in this review paper, different techniques of sign language recognition are reviewed on the basis of sign acquiring ... ieee conference, pp: ,2015. [4] yuan yao,yun fu, **contour model based hand-gesture recognition ...hand movement and gesture recognition using leap motion ...** - put hands on top of the leap motion controller. figure 1 gives an example of how to use the leap motion controller. figure 1: leap motion usage. the small object in the middle is leap motion controller connecting to the mac on the right. hand on top of the leap motion is tracked and interacted with virtual objects. **exploiting recurrent neural networks and leap motion ...** - exploiting recurrent neural networks and leap motion controller for sign language and ... member, ieee, marco bernardi , luigi cinque, senior member, ieee gian luca foresti, senior member, ieee and cristiano massaroni abstract "in human interactions, hands are a powerful way ... in this paper, a language hand gesture recognition solution using ... **gesture recognition library for leap motion controller** - gesture recognition library for leap motion controller micha... nowicki, 95883 olgierd pilarczyk, 100449 ... a circle motion with one finger, a swipe action and tapping on the virtual ... this device transmits data with frequency up to 100 hz. leap motion controller is a sensor that can potentially revolutionize the human-computer interactions. ... **virtual shape recognition using leap motion** - virtual shape recognition using leap motion 1 1 introduction leap motion is a new gesture-capturing sensor hardware system that can take hand and nger gestures as input at a very high accuracy level compared to other devices such as microsoft kinect. its capabilities give us a big range of applications that it can support. **gesture recognition using leap motion for deaf and dumb** - in this paper, the gestures illustrated by the indian sign language symbols willbe conquered with the support of the flex sensors and accelerometer. the movements included dur- ... tion using leap motion sensor, 2015 ieee international conference on research in computational intelligence and communication **implementation of leap motion based rc car controller** - implementation of leap motion based rc car controller . ye hoon lee. department of electronic & it media engineering, seoul national university of science & technology, seoul, 01811, korea . ... in this paper, we consider the leap motion ling the rc car through control this technique. the motivation is that it is much easier to navigate **digital scrum board 8sing leap motion - ieee computer society** - digital scrum board 8sing leap motion ... this paper, we focus on a daily meeting which is an important event during the sprint. the purpose of the daily meeting is to ... 978-1-5090-0806-3/16/\$31.00 copyright 2016 ieee icis 2016, june 26-29, 2016, okayama, japan. fig. 2. our digital scrum board mvc architecture **ieee transactions on mobile computing, vol. 15, no. 11 ...** - guanhua wang, student member, ieee, yongpan zou, student member, ieee, zimu zhou, student member, ieee, kaishun wu, member, ieee, and lionel m. ni, fellow, ieee ... also achieve the ability like leap motion [1]. the closest works are wisee [37] and wivi [11], which can only detect ... in the rest of this paper, we first summarize related work ... **computer access using leap motion sensor - ijrter** - this paper. a similar problem domain of gesture recognition, although in a lower dimensional space, is that of ... using leap motion controller, procedia computer science, 60: 1595 -1603, 2015. ... the ieee, vol. 86, no. 11, pp. 2278 -2324, 1998.
